Notes

- All times given are actual examination start times. Candidates should report to examination rooms 15 minutes prior to the start time.
- All candidates must bring their Statement of Entry slips and student IDs to their examinations.
- There is no study leave during this period. Students go to their normal classes at the completion of each exam.
- Any student with a problem or query during the examination session should report to Mr Watson in the Leadership Wing.

Arrangements for External Examination Clashes 2017

- Arrangements for exam clashes are as set out below. Students will report to the scheduled room on the timetable below for the first exam listed in the ‘Arrangements’ column. At the end of this exam they will have a supervised break and will then sit their second exam. There is a mandatory 1 hour break between exams.
- As with normally scheduled exams you should:
 - report to the examination room 10 - 15 minutes before the scheduled start time
 - bring your Statement of Entry slip and student I.D card
- Students should ensure that they have appropriate revision materials and sufficient food and drink for the supervised break periods.
