Tutorials will be held in **B14** between **8:00 a.m.** and **8:45 a.m.** every Tuesday and Thursday and after school on Thursdays. Boys are welcome at any of the usual tutorial times.

As all the senior mathematics classes are streamed, students are taught specific strategies to resolve problems appropriate to their level and ability. Hence, the Mathematics Department will not run topic specific tutorials but instead will have all classroom teachers available to answer questions. All staff are expected to be available during the following times.

All students will arrive in B14.

From Week 3, these tutorial will be on Wednesday Mornings 8-8:45am.

These will be for Form 5-7 Students ONLY.
